

Canberra's Husky Brand offers your organization more than high quality, labor saving chemistry. Our complete Training and Educational matrix focuses on your needs, your issues and your challenges, resulting in greater awareness, a safer workplace, higher productivity and a sense of accomplishment.

Our IEHA Certified College of Knowledge Training Seminars consist of 32 volumes of contemporary industry information, tables, charts, worksheets, and tests..., all available in hard copy or CD ROM.

The "Next Level" CD ROM and HTML Applications feature the College of Knowledge, electronic Material Safety Data Sheets, directions for use, literature, primary labels, secondary labels, training videos, slide shows, search engines, time/task calculators, and 3-D Virtual Reality Training Environments. VHS Training Videos and "hands on" training are also available from your Husky Brand Distributor.

Husky..., "The Next Level" in Cleaning and Maintenance.
