

Use to remove soil and wax build-up from baseboards, floors and ceramic wall tiles.

DIRECTIONS

1. Shake well before using.
2. Test the product on a small inconspicuous area of the surface to be cleaned to make sure there is no adverse attack. Do not spray on painted or varnished surfaces. Wipe off any overspray immediately.
3. Turn can upside down and hold 6-10 inches from baseboard or surface to be sprayed. A thin even coating should cover the wax and soil.
4. Wait 3 to 5 minutes. Longer in case of substantial build-up. Wet scrub the surface with an abrasive pad or scrub brush. Repeat until entire surface is clean.
5. Rinse surface with clean water and allow area to dry thoroughly before re-polishing.

WARNING: Use with adequate ventilation. In case of eye contact, flush immediately with water for at least 15 minutes. If discomfort persists, see a physician. Avoid prolonged or excessive skin contact, or wearing of clothing soaked with product. Avoid inhalation of spray mists. If ingested, contact a physician immediately. Overexposure and/or individual sensitivity to components in the product may cause adverse effects to the liver and eyes. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F (49°C) as container may burst. Avoid prolonged exposure to sunlight. Keep out of reach of children.

CONTAINS (CAS No.): 2-Butoxyethanol (111-76-2), Deionized Water (7732-18-5), Tetrasodium EDTA (64-02-8), Organic Phosphate Ester (51811-79-1) and Liquefied Petroleum Gas (68476-85-7).
