

FOR INSTITUTIONAL, COMMERCIAL
AND INDUSTRIAL USE
DIRECTIONS

Spray directly on marked or stained surface. Let stand 30 seconds then wipe with clean cloth.

For difficult marks spray again, let stand for 60 seconds before wiping. In extreme cases use a stiff brush and work into stained area. Wipe off again. Repeat process until area is cleaned.

Use on brick, tile, steel, brass, chrome, enamel, glass, marble, formica, porcelain and many other surfaces.

IMPORTANT—Some synthetic surfaces such as Asphalt Tile, Rubber, certain Paints and Plastics may be damaged by solvents. If in doubt as to type of surface, try first on small hidden area. If no solvent damage occurs on test area continue with cleaning process outlined above.

DANGER: Use with adequate ventilation. If swallowed, do NOT induce vomiting. Call a physician IMMEDIATELY. Avoid contact with eyes and skin. In case of eye contact, flush immediately with plenty of water for at least 15 minutes. If discomfort persists, see a physician. Inhalation may cause dizziness, drowsiness and throat irritation. Skin irritant. The National Toxicology Program (NTP) classifies Tetrachloroethylene and Dichloromethane as having sufficient evidence of carcinogenicity in experimental animals. Overexposure and/or individual sensitivity to components in the product may cause harmful effects to: cardiovascular and central nervous system. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F (49°C) as container may burst. Avoid prolonged exposure to sunlight. Keep out of reach of children.

WARNING: This product contains a chemical(s) known to the State of California to cause cancer and birth defects or other reproductive harm.

CONTAINS (CAS No.): Tetrachloroethylene (127-18-4), Toluene (108-88-3), Dichloromethane (75-09-2) and Liquefied Petroleum Gas (68476-85-7).

See Material Safety Data Sheet before use!
