

Quickly eliminates rust, lime and uric acid deposits. Eliminates offensive odors. Antibacterial formula. Will not harm plumbing or septic tanks. This thick formula **cleans, disinfects and deodorizes**, even under the rim! Kills germs and quickly removes unsightly stains and toilet rings, hard water and iron (rust) stains. Kills the following common household germs: **STAPH (Staphylococcus aureus)** and **SALMONELLA choleraesuis**. Recommended for use in commercial and industrial buildings, schools, manufacturing plants, public restrooms, hotels and motels. For use inside toilet bowls and urinals. Use of this toilet bowl cleaner on other than vitreous ware is done at user's risk. Not for use on sinks, bathtubs, or other non-vitreous ware. Do not use on PVD finished surfaces.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**General Cleaning:** Gently direct 1 to 4 ounces of bowl cleaner into bowl or on bowl mop or brush (holding brush in the bowl). Brush clean, especially under rim at the water outlets, and flush toilet. Be sure to close container and rinse out bowl brush.

**To Disinfect Toilet Bowls or Urinals:** Remove water from bowl or urinal. Gently direct 1 ounce of bowl cleaner onto bowl mop or brush and clean entire unit, especially under the rim at water outlets. Allow to remain 10 minutes. Flush and rinse out brush. A preliminary cleaning is required for the removal of heavy soil prior to disinfection.

**EFFECTIVE AGAINST HIV-1 (AIDS VIRUS):** Product was evaluated and found to be an effective virucide in the presence of 5% serum against the Virus HIV-1 (Human Immunodeficiency Virus 1, commonly referred to as "AIDS VIRUS") on inanimate surfaces.

**KILLS HIV** on precleaned environmental surfaces/objects previously soiled with blood/body fluids in health care settings (Hospitals, Nursing Homes) or other settings in which there is an expected likelihood of soiling inanimate surfaces/objects with blood or body fluids, and in which surface/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of Human Immunodeficiency Virus Type 1 (HIV-1) (associated with AIDS).

**SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV ON SURFACES/OBJECTS SOILED WITH BLOOD/BODY FLUIDS.**

**Personal Protection:** Disposable latex gloves, gowns, masks and eye protection must be worn when handling items soiled with blood or body fluids. **Cleaning Procedures:** Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of this disinfectant.

**Contact Time:** Leave surface wet for 10 minutes. **Disposal of Infectious Materials:** Blood and other body fluids should be autoclaved and disposed of according to local regulations for infectious waste disposal.

**PRECAUTIONARY STATEMENTS:**

**Hazards to Humans and Domestic Animals**

**DANGER: CORROSIVE.** Causes eye and skin damage. May be fatal if swallowed. Do not breathe vapor or fumes. Do not get in eyes, on skin or on clothing. Use with adequate ventilation. Wear goggles or face shield and rubber gloves when handling. Contains hydrochloric acid (CAS# 7647-01-0).

**PHYSICAL OR CHEMICAL HAZARDS:** Never use with chlorine products. Can react to give chlorine gas. If this occurs, flush toilet to remove chemicals and leave area. Do not return for half hour. Ventilate if possible. Never use or mix with other cleaners or chemicals. Do not use on any surface that can be damaged by acid materials. Many surfaces are not resistant to acid. Do not use on PVD finished surfaces.

**FIRST AID: If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on skin or clothing:** Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth to an unconscious person. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information concerning this product, call the National Pesticides Information Center (NPIC) @ 1-800-858-7378 seven days a week, 6:30 am to 4:30 pm Pacific time. (NPIC website: www.npic.orst.edu)

**Note to physician:** Probable mucosal damage may contraindicate the use of gastric lavage.

**STORAGE AND DISPOSAL**

Store in an area inaccessible to children. Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Otherwise, wrap empty containers in plastic bag and discard in trash.
