

A fast-acting, user-friendly bio-enzymatic liquid drain opener. This patent pending formulation provides rapid penetration and degradation of fats, grease and organic matter via catalytic biodegradable enzyme and chemical means. No hazardous acids or caustics. This non-toxic, non-pathogenic formula drain system inoculates the biological factories" which keep on working even after the drain is cleared, to keep it flowing freely. Pleasantly scented for odor control.

Drain-cleaning, maintaining and deodorizing - all in one user-friendly, biologically fortified, chemically enhanced product. Use also to clean & purge grease traps. Works in unison with biological drain maintainers.
DIRECTIONS FOR USE: Blocked Drains: Remove as much standing water as possible. Pour the entire contents of this package in clogged drain. Allow to work overnight if possible. Flush with hot water. **Slow Drains:** Treat drains on lowest floor first. Every other day move up one floor. Add 4 ounces of product for each inch of diameter of drain pipe. Add at lowest water-use period for best results. Continue daily until system flows freely. Then add every other week as a preventative maintenance measure. **NOTE:** Never mix different chemicals in attempting to open clogged drains. Hazardous conditions may result. This product will not perform properly in the presence of acid or caustic drain openers. **CAUTION:** May cause skin or eye irritation. Avoid contact with skin or eyes. Remove and wash contaminated clothing. Wash thoroughly after handling. **PRACTICAL TREATMENT:** In case of contact, flush eyes with plenty of water for 15 minutes. Get medical attention. For skin contact: wash thoroughly with soap and water. If ingested: drink 1-2 glasses of water and get immediate medical attention.

CONTAINS:
 Water CAS# 7732-18-5
 Lipolytic Enzymes No CAS#
 Bacterial Cultures No CAS#
