# WATERLESS PASTE HAND CLEANER

**A Sensational Waterless Paste That Breaks Up  
The Toughest Greases and Gently Emulsifies  
Them From The Skin Surface**

**CAUTION**  
Keep Out Of Reach Of Children  
See back panel for additional precautionary information.

**Net Contents: 4.5 lbs.**

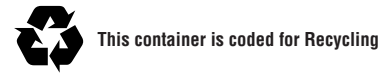

An effective, deep penetrating paste that can be used with or without water. Contains lanolin and essential oils to maintain skins' moisture levels. pH balanced. Penetrates a wide range of industrial soils such as varnish, carbon, printer's ink, asphalt, tobacco and gum. This product rinses freely, leaving hands soft and clean. Very economical...each 4.5lb. can contains approximately 1400 hand washings.

**DIRECTIONS**  
Can be used with or without water. Apply appropriate amount of cleaner to palm of hands (including fingers, wrist, and cuticles) vigorously. Rinse with water or wipe off with a clean, dry towel until all cleaner is removed from hands.
