

Our BioPreferredSM foaming, hand cleanser is specially formulated for professionals, employees, care givers and guests who are required to wash their hands regularly. This exceptionally mild, pleasantly scented hand cleanser contains our unique emollient system, and other natural skin enrichment conditioners that leave hands beautifully clean and silky smooth even after multiple hand washings. Thousands of tightly bundled, lather-producing bubbles bursting with freshness clean the skin while minimizing product waste due to run-off and over use.

Meets USDA BioPreferredSM Procurement program requirements for regulated contracts.
