

ECONOMY PLUS SUPERB PERFORMANCE... a unique combination. This low cost multi-purpose cleaner contains a perfect chemical balance to wet, penetrate, emulsify and suspend soil. Fast cleaning action, combined with a fresh fragrance, makes it a pleasure to use. Free of harsh alkali, soap, ammonia or abrasives.

VERSATILITY... Scientifically formulated to accomplish an unusually broad range of maintenance tasks. A highly concentrated synthetic cleaner that can be used on most surfaces.

CONCENTRATED FOR ECONOMY... Dilution ratios range from 1 oz. per gallon for light to moderate cleaning, to 6 oz. per gallon for heavy soil. High dilution ratios provide low in-use costs per gallon, even compared with "bargain" cleaners.
