

Two powerful environmentally preferable technologies were combined to create this dynamic concentrated multi-purpose cleaner.

Designed to whiten, brighten, and deodorize in harsh environments. Removes a host of soils from both hard and soft surfaces including floors, walls, tile, grout, color-fast fabrics, wood, upholstery, stainless steel and more. Natural citrus solvents solubilize and saponify petroleum, greases, and organics. Our own pure, ultra refined HyPOX-7 Oxidizer® provides color-safe deodorization and unparalleled spot removal. At proper dilution, this robust formula will clean glass, reduce slip hazards on greasy kitchen floors, destroy odors, remove carpet stains and provide hundreds of effective cleaning alternatives.

GENERAL DIRECTIONS FOR USE

1. Dilution chart is shown indicating the various water ratios to be used depending on the surfaces to be cleaned. It is recommended that the user experiment with various water

dilutions in order to determine the most economical ratio before establishing a cleaning procedure. For best results, prepare fresh solution daily.

2. After surface has been cleaned, rinse thoroughly.

NOTE: Pre-test on surfaces in small inconspicuous area for colorfastness and compatibility.

SAFETY DATA

DANGER: Harmful if swallowed.

May cause skin or eye damage if not promptly treated. Wear eye protection and resistant (rubber) gloves when handling. Avoid breathing vapor, spray or mist. May cause respiratory tract irritation, if inhaled. Use with adequate ventilation. If necessary to prevent exposure, (e.g. when sprayed) wear approved respiratory protection.

CONTAINS: Water CAS# 7732-18-5, d-Limonene CAS# 5989-27-5, Hydrogen Peroxide CAS# 7722-84-1, Sodium Tripolyphosphate CAS# 7758-29-4, Glycol Ether CAS# 34590-94-8
